

Survival and emergency gear – Canadian sources

* * * * *

Maneuvering through the challenges of the past few years has meant an exploration of issues, ideas, and technologies that would likely not have occurred otherwise. It seems that challenges are good motivators.

This series of e-resources consists of a gathering of 'tips & tricks' learned along the way. There will be revisions and additions to this series as new information and challenges present themselves.

* * * * *

Included in the 'Tips & Tricks' series ...

- Nebulized hydrogen peroxide
- Survival and emergency gear: Canadian sources
- Owning a gun in Canada
- Chlorine Dioxide Solution (CDS)
- Survival tips – urban v rural situations
